III Universities Exhibition

Participating universities and vocational institutes will conduct virtual tours for prospective students with question-andanswer sessions.

Dedicated room numbers will be provided for this purpose where students will attend, listen to demos and ask questions about majors, certifications and opportunities.

Universities 195 Virtual Higher Education Conference

he concept of the Universities 195 **Higher Education Virtual Conference** is to bring all universities from all around the world through a virtual platform, to benefit enormously from a unique global educational experience.

The international conference on international universities will be organized by Medpoint in cooperation with The Nine Training Center and it will be held in parallel with a concurrent exhibition to allow universities showcase their offerings.

One hundred and ninety-five world-class universities and highly-reputed vocational institutes from all continents will form the basis of this conference. The conference will be replete with high level speakers for 4 days who will share best practices, new career paths, future science, trending topics and much more.

Conference Objectives

- **1.** To support higher education and vocational training to overcome challenges and obstacles
- **2.** To learn about future science and prepare young people for careers of the future
- **3.** To shed light on the concepts of future majors, sustainability, modern engineering, financial technology (FinTech) and much more.

Place and Date of the Conference

Expected dates of the conference:

Sunday to Thursday 5 to 9 December 2021 from 12pm to 6pm (GMT) 3pm to 9pm (Bahrain Time)

Place:

The virtual conference will be hosted on the Zoom platform interactively with approximately 10,000 participants. The event will contain registration links and will be broadcasted live on social media. The virtual conference will also be broadcasted live on YouTube.

- Ministers
- Ministries' Representatives
- University Presidents, Deans and Heads of Departments
- Professors, Academicians, Scientists, Researchers and Consultants
- University Agents and Educational Organisations

he conference will be attended by high school students, parents, prospective researchers, university professors, teachers, students of public and private universities, companies and related institutions and their employees.

It will be an event with free attendance for public.

There will also be a paid package for dedicated sessions with other services such as attendance certificates.

Conference Themes

The conference will shed light on four themes:

Challenges and Opportunities in the New Normal

- The Role of Higher and Vocational Education in the Economy a. and Development.

To Sign up

Registration is open for participants through links specially prepared for the registration process for various lectures and multiple exhibitions, so that the participant can register in more than one session and more than one exhibition.

As for the speakers and participating universities, invitations will be sent via social media. Free for audiences.

https://195university.com/registration.php

The suggested speakers are from International Universities

Each sponsoring university will nominate speakers and select a theme from the brochure for the plenaries. Also representatives should be nominated for the exhibition as per the sponsorship packages selected.

This selection is tentative as per the proposal submitted - pending approvals and confirmations
